

UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF NEW YORK IN RE:
CELSIUS NETWORK, LLC, et al, Debtors

Dec 11,2022

Case No. 22-10964 (MG)

To the Judge in charge of the overall case, Martin Glenn:

Just for the record, I was led to believe my deposit with Celsius was safe and secured. It was NOT to be lent or put at risk in any fashion. I had a SECURED claim to withdraw my deposits at any time.

I want my COINS RETURNED. I want the SAME coins, not some fake substitutes. I don't want cash in lieu of my coins. At minimum, I WANT A CHOICE with what is left.

Celsius was operated in a fraudulent manor, without the proper disclosures and licenses. The people responsible should be made to pay heavily, including jail time.
